

# CONSTRUCTION/ FIT-OUT

LIVING IN  
— INTERIORS —

The strength of Living In Interiors lies within its contracting division. Established in 1997, the division delivers exceptional interior and exterior civil works.

The contracting division is further supported by AR-CO Industries, a subsidiary of Living In Interiors. AR-CO Industries is equipped with the latest technologies to produce outstanding quality of wall claddings, kitchens, doors, windows, and built-in units /millworks.

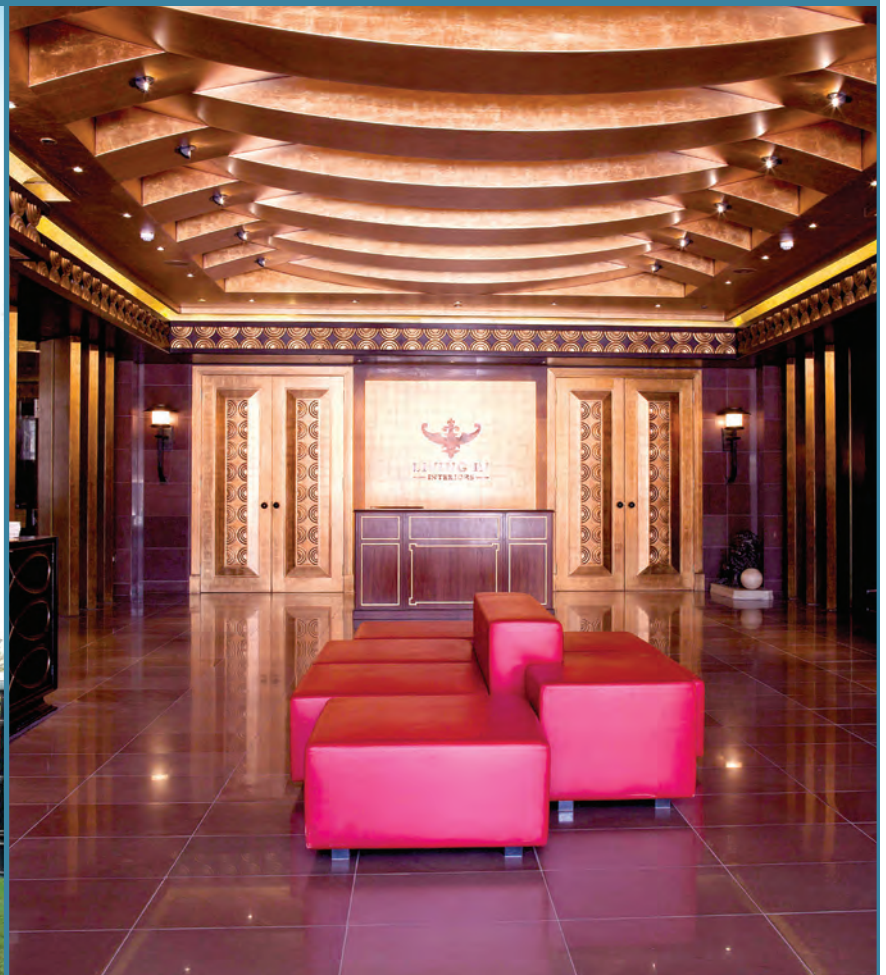

Our construction team comprises of 15 highly qualified site engineers, who are mandated with ensuring the accurate implementation of the drawings of Living In Interiors' design division.

We closely collaborate with internationally acclaimed architects and designers from all over the world, including Didier Gomez and Nicholas Kanakis, whose designs require highly skilled execution of civil works.
